Fire

What Is It?

Global Marine Guardian® is a wireless security system that provides security capabilities and remote activation globally. Global Marine Guardian® monitors for illegal entry, smoke, GPS coordinates and low battery voltage.

Global Marine Guardian Package

Features

Global Marine Guardian® will connect to our secure server and immediately begin monitoring your yacht.

Global Marine Guardian® is completely customizable, upgradeable and transferable.

Choices and simplicity are what life and Guardian Systems, LLC. are all about.

How It Works

Simply install your Global Marine Guardian® and log on to the Internet to monitor your yacht.

If a problem occurs Global Marine Guardian® will notify you immediately. Global Marine Guardian® technology allows you to correct any situation before significant damage or theft occurs.

The Global Marine Guardian® network provides coverage globally, where ever you are, Global Marine Guardian® is there to guard and monitor your property, continuously.
