Marine Guardian®

Protects and Guards Against

- Intrusion
- Smoke
- Power
- Fire

What Is It?

Marine Guardian® is a wireless security system that provides security capabilities and remote activation. Marine Guardian® monitors for illegal entry, smoke, and low battery voltage.

Features

The Marine Guardian® unit will connect to our secure server and immediately begin monitoring your yacht. Marine Guardian® is completely customizable, upgradeable and transferable.

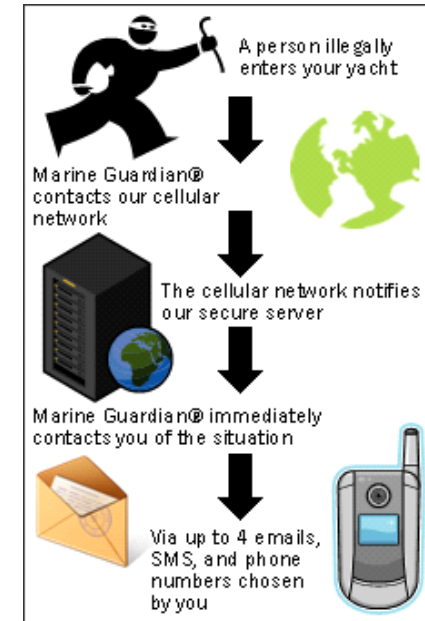

Choices and simplicity are what life and Guardian Systems, LLC. are all about. Guardian Systems, LLC. customizes units to meet the needs of customers.

How It Works

Simply install your Marine Guardian® and log on to the Internet to monitor your yacht. If a problem occurs, Marine Guardian® will notify you immediately. The Marine Guardian® technology allows you to correct any situation before significant damage occurs.

The Marine Guardian® network provides coverage in continental United States, Alaska and Hawaii. Where ever you are, Marine Guardian® is there to guard and monitor your property continuously.
