Features

The Tank Guardian™ unit will connect to our secure server and immediately begin monitoring your tank.

Tank Guardian™ is completely customizable, upgradeable and transferable.

Choices and simplicity are what life and Guardian Systems, LLC. are all about.

How It Works

Simply install your Tank Guardian™ and log on to the Internet to monitor your tank.

If a problem occurs, Tank Guardian™ will notify you immediately. The Tank Guardian™ technology will allow you to correct any situation before significant loss of product or a customer complaint occurs.

The Tank Guardian™ network provides coverage in continental United States, Alaska and Hawaii. Wherever you are, Tank Guardian™ is there to monitor your tank, continuously.

Recent Events / History

Welcome, Demo2 Guardian.

Due to the path messages take recent alarms will not show up immediately. Please click the refresh button or press F5 a few times and the alarm will appear.

You have the following messages. To view archived history please select a month and year:

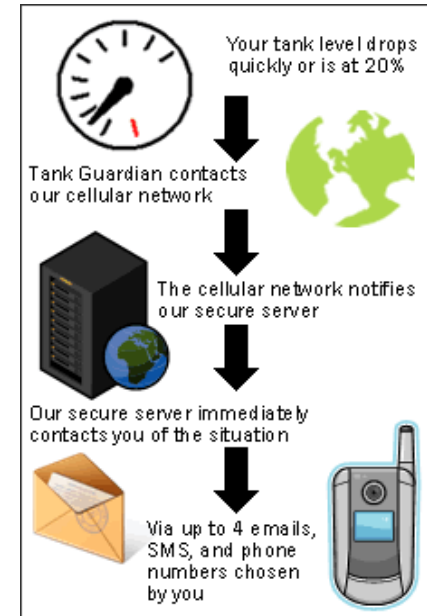

January Go

Time Stamp (CST)	Alarm	Alarm Details	Map Details
1/22/2009 9:20:20 AM	Status	Tank Level: 90%, Voltage: 06.16	
1/19/2009 9:20:54 AM	Status	Tank Level: 50%, Voltage: 07.38	
1/16/2009 9:22:35 AM	Propane Tank Low	Propane Tank Low Alarm has been detected.
